AA Sets Up Basketball Leagues, Announces Squash Requirements

Thirty-nine teams representing Tech living groups will start the intramural basketball tournament November 10th. At a recent meeting of the various athletic chairs, it was disclosed that there will be five leagues of 7 or 8 teams.

Each team will play all the other teams in its league with the league winners engaging in a round robin to determine the intramural basketball champion. The teams were seeded on a basis of their showing last year. Practice courts will be five leagues of 7 or 8 teams.

All teams wishing to enter the intramural squash tournament should turn in their names to the AA office, Room 3-107, as soon as possible. Each team will consist of five men or less, a team of three men, for example, forfeiting two of the five matches. There will be round robin play, and the team with the most individual victories will be declared the winner and will receive the squash trophy. Everyone is eligible except varsity squash men and previous squash letter winners.

The third round of intramural football gets under way this weekend. Leagues 3 and 4 were washed out last week and will play those games this Sunday. Leagues 1 and 2 are paced by SAE and the Graduate house will continue elimination this Saturday.
