Convocation (Continued from Page 1) voted for President Truman and Mr. Churchill.

The committee believes that the request for seats at the inauguration will also far exceed the capacity of the Rockwell Cage and that it will be necessary to provide for overflow audiences. These will be provided for in the Armory and the Great Court.

Students Are Overflow (Continued from Page 3) Because all groups must be permitted reasonable representation in the Rockwell Cage, it is expected that it may be necessary to ask that a majority of the students, as a courtesy to visiting alumni and distinguished guests, seat themselves in one of these overflow spaces.

The committee will, at an early date, issue announcements about the distribution of tickets to President Truman and Mr. Churchill.

Basketball (Continued from Page 5) B.C. debacle last week, the freshmen played good ball in defeating a strong Governor Dummer five which had previously won ten out of twelve starts.
