Variety And Frosh Cindermen Lose To Brown, 55-44, 45-36

As Providence College last week-end the Engineers met Brown in a track meet which saw both the varsity and the frosh defeated. The sponsors of the frosh tried to make it a big affair with invitation and open events, and only succeeded in making a mess of the whole thing.

The final scores were Brown 46, Tech 45 for the varsity, and 45 to 36 in favor of Brown in the freshman meet. The afternoon was cold, windy, and generally disagreeable, and the only thrills which heighten ed it were the performances of Brown's Josh and Jon Tobey, and Al Phillips. The Tobeyes are identical twins and proved to be equally able by winning three events. Phillips tried to break the world's record in the high jump and came within 0.1 inches of it with a jump of 6' 5".

Leeds of Brown took first in both long and high hurdles, while Al Dell Isola of Tech won the 80-yard dash and the 300-yard run. The Tobey twins ran away with the 600-yard, and the 300-yard run. The Tobey twins ran away with the 600-yard, and the 300-yard run.
