$80 Rent Hiked $5, Service Slashed In Other Dorms

Beginning in the fall term of this year, the new Senior House on Oak Ridge will be made available to all male undergraduate students. Rent in this newest and most modern of the dormitories will be at a flat rate of $180 for room and $70 for board per man, in addition to the required weekly laundry fee. A period of two weeks from September 24 to January 1.

The new dormitory will be known by its dormitory name as far as payment is concerned, will be served three times a day, five days a week. Saturdays and Sundays, and in addition to the weekly meals, vacation and mid-year vacation are excluded from the meal service.

Rent Increased; Service Reduced

Due to increased costs, as well as to make up for the lack of occupancy in our older dormitories, it is necessary to increase the rent to $180 per year. This is the same amount as the current rent, but it is necessary to do so in order to continue to provide the best possible service to our students.

The new senior house, which will be known as the "new senior house," has now been added to the dormitory board as the "New Dormitory." It will be open to all registered undergraduates, and the class of 1958 will be given preference. The unit will be managed by Mr. Gordon Watton, who will be residing in the dormitory.

Occupancy Limited in Barracks

Building 52 will be operated in the fall as a housing unit, but only one dormitory section. If accommodations are available, any resident of Building 52 may be requested by the Dormitory Board to move out. The Dormitory Board reserves the right to discontinue Building 52 as a dormitory section for the fall term of this year if it is necessary to do so. In any case, all applications for occupancy in Building 52 will be granted to present occupants of the dormitories who desire to retain their present accommodations.
