Walker Staff Plans '49 Assemblies Ball

The annual Assemblies Ball is to be held this Friday night. Beginning at 9:30 p.m., April 22nd and 23rd, in Mora Hall. This dance is expected to attract the largest number of students ever to be present at an M.I.T. function.

For the first time in years the student body is expected to attend in numbers larger than those of the past.

The popularity of the dance has been growing rapidly in recent years, and the turn-out is expected to be as large as last year, which was the largest ever attended by the student body.

The ball is being held in commemoration of the golden anniversary of the ball sponsored by the University of Chicago.

The theme of the dance is "Beautiful People." The program is expected to be as elaborate as last year's, and the music will be provided by the University Orchestra.

The dance will be held in the main ballroom of the University of Chicago. The decorations will be arranged to the theme of the dance, and the costumes will be as elaborate as the past years.

The dance will begin at 9:30 p.m., and continue until midnight. Refreshments will be provided throughout the evening.
