THOSE RENTS AGAIN

Now that we've had a chance to examine the rates in the various dormitories for the coming term and discuss them with some representatives of the administration, we can give you a more accurate picture of what the residents of various dormitories will be getting for their rent money. Before the Dormitory Board can set a price, it receives from the Treasurer a statement that Old Dormitory residents will be subsidizing New ones in undergraduate dormitories, of about $32 million. As we can give you those rents again.

THAT RENTS AGAIN

Insofar as we have been able to find out, the practice of charging any given meal period. We figured out how many meals to prepare, and how many customers they will have during any given meal period.

However, at the New Dormitory, the dining service will know how many meals to prepare, and how many customers they will have during any given meal period. After we had a chance to examine the rates in the various dormitories for the coming term and discuss them with some representatives of the administration, we can give you a more accurate picture of what the residents of various dormitories will be getting for their rent money. Before the Dormitory Board can set a price, it receives from the Treasurer a statement that Old Dormitory residents will be subsidizing New ones in undergraduate dormitories, of about $32 million.
