Lost Frosh Goods
Found By T.C.A.
May Be Reclaimed
Frosh returned from Freshman Camp leaving behind them a read a of lost clothing and personal equip-
ment. Most of these articles were collected after the departure and are now cluttering the offices of the T.C.A in the basement of Walker Memorial.
T.C.A. working hours are from 3 to 5 daily and owners of lost property may drop around during this time to identify and claim their gear.
The T.C.A. is handling only the articles left behind at Freshman Camp. The Institute's regular Lost and Found Department is under the jurisdiction of the Office of Buildings and Power, located in Building 54.
If you happen to be passing through Building 4 one of these days stop and see the exhibit of photographs from the Library of Congress. Some of them are rather interesting.
