Soph Football Team Scores 26-0 Victory Over Wentworth Eleven

In their first pre-field day practice game, the Sophomore gridders overwhelmed Wentworth Institute's freshman, 26-0, on the latter's field last Thursday afternoon. Wentworth's squad was inexperienced and outplayed, and provided very little competition.

The Sophomore first touchdown came in the opening period as Joe Keller scampered around left end from about fifteen yards out for the score. The try for the extra point was successful.

Early in the second quarter quarterback Bob Froy picked up his own fumble and ran 50 yards for a touchdown. The extra-point try was wide. Tech scored again shortly before the end of the half when John Ten Eyck intercepted a pass and ran it back 40 yards for a f.d. This time the extra point was added.

Trinity Scores

Trinity drew first blood after a scoreless first period as a result of another on a pass from the corner to Brainard who scored. There was no more scoring until the fourth quarter when Trinity opened with a goal. Then things began to happen. Captain Lattimer, who had been shifted to center forward, combined with Sharpsey enabling Brainard to score. Two and a half minutes later Dini and Cornish charged through, with Cornish scoring. At this point the game was really hot and the large crowd, which was definitely for Trinity, cheered their team on with all they had. Eight minutes later, with just 2 minutes remaining, Leo booted the ball past goalie Silverton to give Trinity their final score and the victory.

Frosh Downed

In a frosh battle, the Trinity frosh beat the Tech frosh 2-0. The young Beavers had many good shots but they all seemed to miss.

Tomorrow afternoon at 2:30, the Beavers will open their home season with meeting Tufts' frosh. After facing large, alert crowds in most last season, the team is looking forward to playing before Tech rooters.

Beavers will open their home season by meeting Tufts' booters. After booters downed the Tech squad, their final score and the victory.

Soccer Team Bows To Trinity, 3-2, On Goal In Final Moments; Tufts To Play Here Tomorrow

In what will probably turn out to be the best game of the year, Tech's soccer team lost, in the closing minutes, to a big and strong Trinity eleven, 3-2. Though they lost, the Hodgers showed a big improvement over their previous performance.

The play was very rough and rugged between Tech's Harry Palace and Triumph's Marshall, which resulted in the ejection of both from the game, the tension mounted to a fever pitch. In the think of the half, Bahamnatah, of Tech, suffered an injury.

After the Falmouth-Marshall incident, at the end of the third period, the Tech booters came back strong to score two goals within two and a half minutes in the fourth period. Theta Dukas, who was responsible for both goals, returned the ball past goalie Silverton to give Trinity their final score and the victory.
