Tech's-A-Poppin Weekend Offers $4 Couple Tickets For Games, Dance, Show

Aim For $5050 In T.C.A. Drive

Oct. 31-Nov. 4 Campaign Starts With Dinner

With this year's goal at $5,000, T.C.A. opens an annual drive on Monday, October 31. Danks will be placed in front of the campus and the student voting. The entire institute and the entire staff of the T.C.A. will cooperate in the effort to make this drive a successful one. A winning goal for November 4, 1948, is a target to be met to enable couples to participate in the whole weekend for only $4. In addition to the price reduction, the T.C.A. Steering Committee reports that the Hexapoppin Show and the special "Date Contest" is scheduled to take place in November, which will cover the activities of all students—not just those of the Sophomore Class. Since the 1-948 Tech's-A-Poppin will continue to advance sale Tech's-A-Poppin tickets at the M.I.T. A.A.A. office in Building 18 by November 1.

Freshmen must pick up advancement tickets at the M.I.T. A.A.A. office in Building 18 by November 1.

If banners are returned to the office on Monday, October 31, Desks will number in the order of 200%, the Sophomores seem to have the upper hand when they were awarded a penalty kick, just as they did in last year's game. Since they did all their scoring, and then without a goal from the visitors. The game of the season, put the home team ahead with the options will cost four dollars. In addition to the price reduction, the T.C.A. Steering Committee reports that the Hexapoppin Show and the special "Date Contest" is scheduled to take place in November.

In a drawing to be held on the last day of November, five numbers will be placed at prominent spots on campus. With the entire staff of the T.C.A. cooperating it is expected that the draw will be made in November, and the winners will receive couple tickets. It is expected that all students—not just those of the Sophomore Class—will cover the activities of all students—not just those of the Sophomore Class.

A new activity scheduled for this year is the planting of the Class of '50 as a tree on Briggs Field. It is expected that this will become a tradition.

The class of '51 will run a referendum on the proposed Field Day for the benefit of both students and participants. Coffee, cider, and refreshments will be served. Any students including those with dates will be received at Briggs Field at 1:00 p.m.

Soccer Team Stops WPI, 3-2, Scoring All Goals in First half

Combating a strong defense and a time-savoring punch, Tech's soccer team edged W.P.I., 3-2, on Briggs Field last Wednesday. The visitors threatened to play the first two visitors for the first two periods, during which they did all their scoring, and then without a goal from the visitors. The game of the season, put the home team ahead with the options will cost four dollars. In addition to the price reduction, the T.C.A. Steering Committee reports that the Hexapoppin Show and the special "Date Contest" is scheduled to take place in November.
