More Powerful than A-Bomb

A new explosive instrument was introduced to the world yesterday by T. Slushpump, head of the Massachusetts Penal College, in a press conference in Boston, Mass. He revealed to the world its new explosive weapon, the *T. Slushpump*, which he called the greatest explosive ever made. The announcement sent shock waves through the scientific community, and the world awaited to see what was in store for the future of military technology.

**Fraternity Fumblings**

Louis Stich, chapter president of the *Chi Rho* fraternity, has seen his fraternity’s machinery seized by the New England police. It is believed that his fraternity has been involved in a sex scandal that has spread like wildfire across the college campus. The fraternity’s machinery, a key piece of equipment, has been seized by police as part of an investigation into the alleged sex scandal.

**Excels In Defense**

Tech’s hockey team fell prey to a fast-breaking Harvard team last Saturday night and lost a 3-0 decision in its opening game. The Harvard team was far more efficient, and their better skating eye and their better shooting eye, the Engineers were defeated in the opening game of the season. Harvard put away the Engineers on their first two goals, and in this last game they outscored Tech in the final period.

**TOMORROW EVENING**

Opening their 1949-1950 basketball season against E.U.’s Terriers at the Armory last night, the Elgin’s engineers went down to a 93-70 defeat, despite a determined effort to overcome the overwhelming height of the Terriers. The Engineers are now under study.

**FRIDAY**

Tech’s hockey team fell prey to a fast-breaking Harvard team last Saturday night and lost a 3-0 decision in its opening game. The Harvard team was far more efficient, and their better skating eye and their better shooting eye, the Engineers were defeated in the opening game of the season. Harvard put away the Engineers on their first two goals, and in this last game they outscored Tech in the final period.
