Riflemen To Fire Against Dartmouth

Three Matches Planned On Northern Road Trip

The varsity rifle team will leave this afternoon for a whirlwind road trip to Northfield, Vermont, tomorrow. Amherst, Harvard and the University of Vermont will provide competition against three prominent Northern New England Colleges.

Against Dartmouth

The MIT shooters downed them in a recent contest and in the past these three schools have furnished LIT its best competition. The Engineers were able to score only 4 points in the final stanza.

DEPENDABLE RAIL SCHEDULES!

More Fun, Too, traveling with the gang. Lots of room to roam around and visit. Mouth-watering meals in the diner. Both these days of your stay in Pullman bath or room. Yes, it's part of vacation to go by train. And don't forget, you can check up to 150 pounds of baggage free in the baggage car, going and coming!

COLLEGE SPECIAL ROUND-TRIP TICKETS

For Students and Faculty

They'll be available at your home town ticket office between December 26 and January 15! On the day Pullman, they give you the same discount and the same ten-day stopover and free baggage allowance as regular round-trip ticket— ... but with much longer time limits! For example, get a College Special to return to school after Christmas and it will still be good for a trip home for a visitation any time from February 4th through March 1st... or for the summer vacation any time from May 1 through June 30.

Are your Home Station about College specials? Most stations will have them on hand. At smaller stations, the ticket agent will gladly get a College Special Ticket for you. Just give him a few days advance notice when you plan to go.
