Activities Ball To Be March 10 In Morse Hall
Brad Kent Will Play; Entertainment Features Tech Show Selections

On Friday, the Annual affairs of the students, and the main part of the program for the night will be the activities Ball, which will take place over Morss Hall.

Entertainment

According to dance co-chairman Harold Lawrence '50 and Edward Ernest '50, the entertainment portion of the affair will include several attractions.

A display of publications prepared by several companies for the employees is planned for showing in Dewey Library. Also, the annual meeting of the New York chapter of the American Management Association will be held. The dance committee has been promised that the American Management Association will be represented by twelve of the leading firms in manufacturing and advertising in the city.

Display Acclaimed

The display, which has been acclaimed by several companies, will be shown during the afternoon and evening programs. The display is the result of the cooperation of several companies.

Student Forum

Several families mentioned that they would be interested in attending the forum on the question of teaching and learning, and that they would be interested in discussing the question of the quality of teaching and learning with students and faculty.

In connection with the showing, the Industrial Relations Section is planning an afternoon tea and entertainment program for its Industrial Relations section.

Massachusetts Institute of Technology
Cambridge, Massachusetts

THE MASSACHUSETTS INSTITUTE OF TECHNOLOGY

The Massachusetts Institute of Technology, with its graduate and undergraduate programs, offers a wide variety of courses in many fields. The following are some of the courses offered in the School of Architecture and Planning:

Architectural Engineering

Chemical Engineering

Mechanical Engineering

Aeronautical Engineering

Building Engineering and Structures

Office Systems

Business and Administration

Computer Science

Chemical Engineering

Chemical Engineering Practice

Chemical Engineering Practice

Chemical Engineering Practice

Chemical Engineering Practice

Mathematics

Physics

Mathematics

Statistics

Options: Pure and Applied Mathematics

Applied Statistics

Physical Chemistry

Quantitative Biology

THE TECH

Baedeker (Continued from Page 3)

Baeedeker (Continued from Page 3)

this Sunday afternoon the New England Opera Theater under the direction of Boris Goldovsky will present Verdi's Rigoletto at the Boston Opera House.

For those that like their culture even better, Edward Burnell, bass-baritone, and Mildred Mon, pianist, are to be the recitatives at the Gardner Museum, 3:30 this Sunday afternoon.

Fridays or unfortunatally, as the case may be, the Metropolitan Opera Company is to be in Boston during the Spring vacation, March 27 through April 5. The following operas will be given: March 27, Mozart's The Magic Flute; March 28, Puccini's La Bohème; March 29, Verdi's Otello; March 30, Tosca (sold out); March 31, Madama Butterfly (sold out); April 1, Rigoletto; April 2, Die Walküre; April 3, Florestan (sold out); April 5, Simon Boccanegra; April 6, La traviata (sold out).

To obtain tickets for those operas not sold out contact the box office of the Boston Opera House immediately.
