Cagers Take Fourth Straight

Natators Trounce R.P.I. By 40-35
As Relay Decides

Tech's swimming team pulled out a thrilling 40-35 win over Rensselaer Polytechnic Institute in a meet held last Saturday at Troy, New York.

The meeting was close all the way, the verdict being in doubt up to the final relay which saw Beaver Captain Frank Comlin, Tech's freshmen natators, drop the anchor leg, outswimming the RPI 20-year Helmsman to win by about a foot. In this event the Engineers broke the Tech record, paddling the 50-yard distance in three minutes forty-four seconds flat.

Tech's freshmen natators dropped a 41-24 decision to Moses Brown in a meet held at Alumni Pool. The meet was close for the first few events with the Beaver Kite holding a 14-8 margin after their third breaststroke. Rodrigues and Traynor, had finished one-two in the 300-yard breaststrokes. The finish were not able to win any more races, however, with the exception of the final event, the 200-yard freestyle relay.

Hobart Tallies 19 Pts.
For Year's High Mark

After a slow start, a rejuvenated Hobart brought its fourth straight victory last Friday night, topping Bowdoin, 83-74. Paced by Frank Hohorst who raked in 19 tallies, the Engineers hit an all-time Tech record in the final 20 minutes of the game and won by 15 points. Although the game started slowly with three Bowdoin foul shots and a Tech basket, it soon turned into a real scrap. At first the Engineers were ahead 6-3 and showed some flash that they were able to put in the record books and the visitors jumped off to a 14-6 lead. During this spell the Tech defense was outstanding, and the Engineers were unable to score.

Brown Close-Up

However, the Bowdins slowly hit their stride, and began to cut down the gap. Schrader's short sets and Gameplay showed the way and the Engineers took over the lead, leaving the court with a 20-15 halftime margin.

During the second half the tempo was much faster, with both teams putting in some unusual shots. However, the Engineers, utilizing the fast break and accurate shooting, began to open up a lead, and were comfortably in front through most of the half. The visitors, not entirely daunted, cut away at one time a 14-point Tech margin, but could not catch up as the scoring totals of both squads mounted.

Scoring Well Distributed

Top man in scoring for the Titus was Bowdoin's Dick Bishop with 19 points. Behind him was Hohorst's 18, which is the Tech high for this season. Lee Hong finished the crowd to some fancy footwork during the second half, and also sank some nifty set-shots... Six Engineers scored in double figures which should also be a record of some sort. Tomorrow night the Engineers will attempt to duplicate this victory over Northeastern, meeting the Huskies on the latter's court.

Callahan Fights Pain As Varisty Maulers

Bow to Brown 21-10

Foley, Raymond Also Score For Varsity

Freshmen Lose, 26-8

Coming to grips with a powerful Brown team last Saturday in Rockwell Gym, Tech's varsity grapplers went down to defeat 21-10. Although the score doesn't indicate a close meet, it really was nip and tuck down to the finish, with Brown holding the edge in the last two matches.

The sterling performance turned in by Tom Callahan was one which was a credit to the team, to M.I.T., and to himself, and undoubtedly will not be soon forgotten. Sustaining a painful knee injury at the beginning of his match, he refused to default and went on to win by decision.

In the preliminary meet the Freshmen team fought bravely to overcome a 20-point deficit due to defeats, but, unable to regain the lost ground, bowed to the Engineers in 12:14, and also by Dick Landry.
