This letter is In reply to a previous letter to the Editor which quoted you as saying that 

"That any organized action, or attempt to organize action, for the purpose of ousting a candidate for any Ring group or activity shall be considered as an act of disorganization, and no candidate for any Ring group or activity shall be allowed grounds for disorganization . . . ."

This is my opinion that any individual who quotes from past minutes of any legislative body incurs an obligation to present the entire picture. I hope that no injurious comments about candidates and voters has resorted.
