Dr. Shrock To Head Geology Department, Hurley Exec. Officer

Paleontologist expert Dr. Robert R. Shrock has been appointed head of the department of geology and Dr. Patrick M. Hurley as executive officer of the department. Dr. Kil-lam announced last week. Dr. Shrock, who joined the Institute's faculty in 1937, has been executive officer of his department since 1946 and was appointed chairman of the department of geology and abroad. Dr. Kil-lam appointed him executive officer of the faculty in 1937. Dr. Hurley, the new execu-tive officer, was born in Hong Kong in 1913 of British parents. He at-tended college in Canada, but re-ceived his Ph.D. from the Institute in 1940. After experience as an engineer and geologist of the Van-cover Island Gold Mines, Ltd. and later as geologist for the Golden Zone Mines, Ltd., British Columbia, Dr. Hurley joined the Institute staff as a teaching fellow in geology in 1948.

Calendar

(Continued from Page 1)

CALENDAR OF EVENTS

The Calendar of Events is published weekly on Tuesday in THE TECH and contains announcements for the following week. It is sent without charge to all members of the staff, heads of D.I.C. projects, as well as to the leaders of various organizations. A separate listing of the Calendar of Events will be mailed to others for one dollar a year, payable in advance at Room 7-204.

Announcements, if written and signed, must be sent to the Editor, Room 7-204, not later than noon on Thursday, prior to publica-tion date. Material for the Calendar, April 26-May 2, is due April 20.

BRENDA MARSHALL

Famous North Texas State Teachers College Alumna says:

"Chesterfield is the largest-selling cigarette."

"Chesterfield is so much milder and better-tasting that I find them completely to my liking."
