FRATERNITY FINDINGS

Last week-end was the same to all the Greek lads to shutter the
annual Inter-fraternity Council Formal gave the boys a chance to
import their "one and only" from all over and show them what the
party was all about. The big night was Friday. The couples, decided in in sizes.
and shirts, donned the formal attire for the dance. Throughout the inter-
ners, the popular Boston radio program Matinee With Bob and Ray gave their improve-
cable "fly by" bit of advertising by giving each boy a chance to view a sample of the
in the Fraternity's column. Over at the Octagon, the frozen wines flowed through twelve hundred bottles.
Major Brents probably thought his "mama" accent as does of the snatchers and snafers.
