CONTEST RULES

GENERAL. The Tech "Football Handicapper" is a football pool sys-

tem covering the intercollegiate foot-
ball season at the Institute. It will

continue through 8 weeks, begin-

ning with this issue. It will be pub-

lished in each Friday's issue through November 19, except week

which will be in the Tues-

day's issue. (No publication on

Friday).

PRIZES. Five prizes will be of-

fered each week during the first

three weeks. A set of 5 grand prizes

will be given after the 6-week sea-

son is finished for those with the

highest overall averages. Averages

will be computed from the 5 highest

weekly scores handed in. Thus, a

poor score or one week lapse from

the contest will still provide 5 cir-

cles to be eligible for any of the

grand prizes. All scores will be

based on the highest number of

correct selections.

DECIDING WINNERS. Clip out the "Handicapper Form" and cir-
cle the teams you think will win. Take the handicap values (in pa-

renches) into account. For exam-

ple, if (12) points is given the Blu-
den House in this issue, and you

think the Student House will lose to Sigma Chi by 12 points, then

the game should be marked on the

form as a "TIE." Thus, you may
circle either team or mark the

game as a tie.

53¢s To Battle Strong

Hustles on Briggs Field

Freshmen will meet Northeastern

tomorrow at 2:30 p.m.

The prospect of a hard fight

for the home team is indicated

by the strong effort being

made to sell the "Techs".

The East Coast will have a

chance to play against the

out-of-staters this week.
