NOTICES

Young Republican Club
Business meeting will be held daily at 7:00 p.m. in Lifelicht Lounge, Walker.

Now is the time to apply for absences ballots. Absentee voting is permitted for Massachusetts voters who will be out of their voting districts as well as for most out-of-state voters.

All Students
The Debating Society Smoker will be held at 8:30 p.m. on Wednesday, October 11, in Tyler Lounge. Men interested in management as well as those interested in debating are invited to attend.

The Society management wishes to apologize for the postponement of the smoker from its previously scheduled time and hopes that no one was seriously inconvenienced.

The American Society of Mechanical Engineers, Student Branch, will address the newly formed M.I.T. Marketing Club at its first meeting of the season Wednesday, October 11. The meeting will be held in Room 2-321 at 7:00 p.m.

Professor James Cross has been elected Faculty Advisor to the club, and Mr. Cy Herrmann has offered his services as assistant.

The poor old tub was then hauled out of the water and settled gently on the dock, where it was finally finished. The autumn snows filled its ards, a fairly large percentage of photographic activity too closely for a laugh! However, let's hope nobody starts investigating our own photographic activity too closely—it strikes me that they must attend a fairly large percentage of metropolitan Boston's student population should be in jail just by virtue of their pin-ups.

And was it a hunch case, everyone who saw it agreed it should be put out of its misery. But the winter snows filled its ancient hull, the spring thaw flushed it clean, the summer sun scorched its last layer of battered varnish, and now fall has come again, but the old white elephant varnish, and now fall has come again, but the old white elephant is still lying out on the dock in its failing glory. Anyone interested should contact Jim Warren, CI 7-8093.

Frankie 365, Morris C. Emmet Jr., P. Lambda Phi, or Gus Raab, 92, New Dorms. Sophomores may sign up at the same time or with Shaun McBeattie 501 at the New Dorm.

Weight Lifters
If you like to lift weights, you will be interested in a new Barbell Club that is forming to use more efficiently the weight-lifting facilities here at the Institute. Planned activities include Bodybuilding with Weights and Competitive Lifting. Anyone interested should contact Jim Warren, CI 7-8093.

The Boy Wonder!

Even a genius has to get away from his books now and then to relax and enjoy his favorite activities. The Boy Wonder will be one such activity. Such is the case with "Coppy" Einstein, who finds that his flying and being a winner's credit slip from Tech's-a-Poppy's weekend, and Mr. Cy Herrmann has offered his services as assistant.
