THURSDAY, NOVEMBER 16
Technology Christian Association. The Bridge Group. At the home of Mrs. Leicester of Walker Memorial, and my deepest thanks to the several people who wrote in to correct a grievous error made in this column last week. As Dr. A. C. Hendryckson of the Walker Student Senate points out, "... Welsh rarebit (is) not the incorrect pronunciation, but the incorrect spelling as well. The correct way to both spell and pronounce it is of course Welsh rih-bit. Come to Walker to get edu-

EXHIBITIONS
An exhibition of Domes: Architectures of the San Francisco Bay Region will be shown in the Lobby of Building 7 through November 18. The 90 works created by the 40 artists will be on display in the Fine Art Gallery of the Charles Hayden Memorial Library until November 30. Photographs taken by H. J. Englemann of Bozeman, Illinois, and D. L. Carson of San Francisco, California, will be on exhibit in the Fine Art Gallery. Exhibition is free, open to public. Tickets: 50c; Unreserved, 50c.

CALENDAR OF EVENTS
The Calendar of Events is published weekly on Tuesday in THE TECH, and contains announcements for the following week. A separate mailing of the Calendar of Events can be obtained for one dollar a year, payable in advance at Room 7-204.

Announcements, typewritten and signed, must be in the Office of the Editor, Room 7-334, not later than noon on Thursday, prior to publication date. Material for the Calendar, November 22-28, is due Thursday, November 16.

TUESDAY, NOVEMBER 14, 1950

DELIcIOUS FOOD DAILY, DANCING FRID AND SAT.
333 COMMONWEALTH AT MASS. AVE.

"I should never have stuck my neck out!"

They had our slow-moving brother moving at too fast a pace with those quick-trick cigarette tests! A fast puff... a swift sniff... a quick inhale... a rapid exhale. Terrapin's head was spinning-

For example, a game can be played with four blocks per edge, to eliminate the all-powerful center block found in the Rubik cube. For example, a game can be played by designating the squares on one face of the cube by numbers, and gathering that set up in four adjacent planes which could be lettered. Let me illustrate.

D 12 13 14
B 21 22 23
A 31 32 33
C 41 42 43

Thus, the combination, All-Bill

Planes: A, B, C, D

"The sensible test...
