Techsapoppin Match Initiates Big Season For Tech Rifle Team

On December 3rd, the Tech Rifle team will open its intercollegiate season against Harvard. As the Techsapoppin champion, the team will be defending champions since the Beavers defeated a field of 16 teams last year. After this match we will close out the entire intercollegiate season.

Returning Vets
A very strong squad, captained by National Individual Champion Herb Yockey, is expected to be the key of many of the records which they set last year. Also returning from last year are some outstanding marksmen in All-American Allen Tan-ner and Mel Bowers (a transfer student from the University of Maryland), "Lightnin" Dug. Long, John Champion, Charles Zar-teron and Arthur Auer. The addition of Gene McCoy and Alvy Dyke from last year’s freshman team should further strengthen the squad. In the practice shoulder- to shoulder matches fired against teams in the Boston City League, the impressive performance has raised veteran coach Jim Brohan to be even more optimistic than ever about his "Boys."

First Of Interclass Track Meets Goes To ’54 Cindermen
Last Saturday afternoon the class of ’54 won the first of this year’s three Interclass track meets. The freshmen rang up 4%2 of points, with the class of ’53 sitting at 46% of, ’53 third with 46, and ’51 last with 18 points.

The number of participants was cut down by a rainstorm in the morning and by the absence of the varsity, and many of the freshmen cross-country men, who ran yesterday at the ELISA championship meet in New York. The freshmen took full advantage of these conditions to build up a good lead over the Sophomores.

High scorer for the meet was George Thompson, who scored 18 of the seniors’ points. Hook Nalley was second with 14 points. Double winners included Nutley in the mile and the half-mile, John Allen in the 100- and 220-yard dashes, and Rothberg in the Dis-er and Hammer throws.

Thetac, Gra ouse
With Sorority as Intramural End in Three Way Tie

In a surprise victory Sunday, the Theta Chi intramural football team dropped the New Dorm team from the ranks of the unbeaten, and threw the race for top billing into a three-way tie. The Theta Chi’s tight edge in passing was enough to turn the tide in a 12-6 victory. Meanwhile the Grad House rowers rolled over the Sigma Alpha Epsilon grime, 14-8, to grab the third spot of the Condiment.

In the Theta Chi-New Dorm A tilt, both teams second equally matched giving each side through right clear along the line. But the Greeks seemed to favor the Theta Chi, and gave them the extra touchdown.

The Theta Chi drew first blood in the first quarter with a pass into the end zone. Not to be outdone, the New Dorm men crossed the goal line in the second half with a short pass, and the game stood at 6-all. Then in the fourth quarter, a New Dorm fumble gave the Theta Chi the ball on the 30-yard line. A pass down to the two and a line plunge gave them their second touchdown, and the game was over.

Grad Wins Easily

In the Grad House-House game, the passing power of the grad completely tore the SAE’s defense open. Their first touchdown came within the first two minutes of the game, and their second came within three.

Another t.d. in the last of the second quarter reversed the lead, and out in the last of the third quarter, along with the extra point gave them the lead in a 7-0 game. Legal provisions for assigning points toward the summer key Trophy will not apply, announced George Bowes XI, intramural foot-

ball chairman. Instead of the 50- minus 50-25 sequence given to the top four teams, the grad winners in
