Queen Gloria Sepp Rules
Tech's-a-poppin' Weekend

Meet Gloria Sepp, Queen of the 1956 Tech's-a-Poppin', shown with her court. She is from Jackson Heights, Long Is- land, N.Y. Her father is John H. Sepp, Shell Oil Company of Manhattan in Tech's-a-Poppin' Committee office in Walker.

Glorious Goura, a graduate of Newton High School, Newton, Mass., said she enjoys working with flowers, and smoking a cigarette in her own dressing room. Her hobbies include painting and skating.

Tom Cater, her escort, lives at the Peabody Club as does her brother, George Cater, a senior in Engineering at the Institute.

President Killian and a panel of administrative officials chose the queen and her court yesterday by the preliminary judgment at the TD dance last Friday night.

Christmas Spirits Will Enliven Walker For Dormitory Dance

Featuring music by Dr. Graham and his orchestra, the Dorm Christmas Formal will be held at the Institute on December 6, 7:30 p.m.

This formal, which Dr. Baker exemplified in his own, is a traditional feature of the Institute.

Tickets to the dance will be $1.50 per couple, to be purchased at the Committee office in Walker.

Amusing Research Bulletin
She was assistant secretary of the secretarial office of the Student Council, and secretary of various clubs. She was graduated in 1947 in the Department of Chemistry, and is working toward a degree in the same.

One Office In 1892
Just now we mentioned silver wedding anniversaries. We apologize. Miss Julia Comstock recently completed her 50th year at the Institute. She came here in 1892 as a member of General Walker in order to take up a temporary job in the first organization, which is composed of groups and activities, or one or more questions that the Foundation should put to any member of the Committee, or ask the person in charge of the Building 10 lobby display.

A.A.A. Competition
A competition for freshmen treasurer assistants to the Athletic Association will be held today and tomorrow between 4:00 and 6:00 p.m. at the A.A.A. office in Building 15.

Deutsch Leads L.S.C. Forum
Next in a series of philosophy forums, "Education for Good Citizenship" will be presented by the Lecture Series Committee on Thursday, December 3, at 8:30 p.m. in the Institute auditorium.

Tickets to the forum will be $1.00 per person, and will include a large Christmas tree as a central feature of the program.

Deutsche's complete schedule of events for the week includes:

"The Creation" has been termed "The Messiah" of the oratorio, and is one of the many works in which Haydn achieved a new musical language.

Tickets for the Forum concert cost $2.45, $1.80 and $1.20, and will be sold in the Baker Music Memorial office in Walker Memorial on Saturday at 1:30 p.m., and at the Tech Box Office in Building 22.

Demand For Engineers Exceeds Supply, Says U.S. Labor Department

That there is a shortage of engineers in the United States was reported Monday by the U.S. Department of Labor's Industry, even after employing, 1950's record class of 50,000 engineers, could still have absorbed more engineers.

M.I.T. Musical Clubs Combine To Present "Creation" By Haydn

By RICHARD J. POWELL

This Thursday evening December 3 the Musical Clubs of M.I.T. are presenting Joseph Haydn's "Creation in One Act" in Jordan Hall. To perform the oratorio are the choral groups, composed of members of both the Oles Club and Choral Society and the Symphony Orchestra, with William Underwood supporting the men's voices, and Paul Mathias, bass, as soloist.

"The Creation" has been termed "The Messiah" of the oratorio, and is one of the many works in which Haydn achieved a new musical language.

Tickets to the Forum concert cost $2.45, $1.80 and $1.20, and will be sold in the Baker Music Memorial office in Walker Memorial on Saturday at 1:30 p.m., and at the Tech Box Office in Building 22.

A.S.M.E. Social Events

Movies, Bowling, Beer

Plenty of beer, at least four bowling alleys open for business, and movies, probably cartoons, are offered by the A.S.M.E. Thursday evening, December 7, at their first social event of the year.

Miss Comstock is Honored On 55th Year With Institute

Miss Julia Comstock, recently completed her 50th year at the Institute, she came here in 1892 as a member of the Secretarial office of the Student Council, and secretary of various clubs. She was graduated in 1947 in the Department of Chemistry, and is working toward a degree in the same.

Proponents of a new gymnasium, including Miss Comstock, recently completed her 50th year at the Institute, she came here in 1892 as a member of the Secretarial office of the Student Council, and secretary of various clubs. She was graduated in 1947 in the Department of Chemistry, and is working toward a degree in the same.

Miss Comstock was appointed to the Secretarial office of the Student Council and secretary of various clubs. She was graduated in 1947 in the Department of Chemistry, and is working toward a degree in the same.

The Forum is being held in Room 11-100 at 7:30 p.m. Several other Institute professors will participate in the discussion, and there will be a question period following the discussion.
