Sloan Gives $5,250,000 To Institute; Lever House To Be Industrial School

Robert B. Bacastow '53 of Roselle Park, New Jersey and Bacastow Beaudette, Weber, Lurie, Trask From The Tech Managing Board For Vol. LXI

Dr. Karl Compton To Receive First Procter Award

Dr. Karl T. Compton, Chairman of the Corporation of the Institute, has been named to receive the first award of the $5,000 William Procter Prize for Scientific Achievement. The prize was announced recently by Donald B. Faintine, Director of the Scientific Research Society of America (SRESA) which administers the prize. National headquarters for the society are located at Yale University.

Mr. Procter, who founded the company that Dr. Compton has been chosen for his research in scientific knowledge, for his achievements in the application of scientific knowledge to industry and agriculture, for his service to the nation and for his work in advancing the cause of many national commities concerned with research.

To Cadet Colonel

The promotion of Christian L. Robertson to Cadet Colonel brings him to the rank of first colonel in the six Army units of the soil and many other colonels have been given a chance to serve in the army. Colonel Charles F. Bayley, a veteran of the last war, has been appointed as the new commanding officer of the army.
