Engineer Rifle Team Sets West Point Range Record

On Saturday, February 16, the one-defeated M.I.T. varsity rifle team traveled to West Point to shoot against the rifle team that last year won the intercollegiate championship. The meeting was the second with the cadets, for the two teams had met two weeks previously at Maryland in a triangular match with the Terps. At that time, Tech defeated Army handily, but succumbed to the record-breaking Marylanders' 1400 team tally.

In this most recent contest, the Beaver riflemen fired a team score of 1451, which was only a 1412, which was considerably below the creditable score Tech is aiming for in fielding a competitive squad.

From the left, the Beaver squad included James Pollock, Paul Wang, and John Bevins. The Cadet team was led by officers Robert Gray and Paul Bonn, and had 109 as its top score.

Tech Wins in Close Match

The Tech team is scheduled to fire against Norwich University at the range on Tuesday, but no round is expected with this match. It should serve as an excellent "stress test" between tough matches, and prime the Techmen for the coming Division of Columbia Championship match on Feb. 28.

Tech Wrestlers Bow To Boston University; Freshmen Also Lose

Last Saturday in Rockwell Cage the varsity and the freshman wrestling squads met Boston University. The varsity squad bowed by a score of 19-11, while the freshman team came through with a 19-13 victory.

In the varsity encounter, Tech got off to a poor start, losing the first four matches to fall behind by 14-0. Then Hugh Robertson and Barton Conant came through with wins the next two matches for a total of six points. The 177 lb. match went to BU, and with the score 19-13, Chuck Seymour came through with the only varsity pin of the afternoon in a feat of 3:52. For Seymour it was his fifth win of the season against George.
