The Chessboard

by F. WERFFIELD

Last week at the start of the chess season, the M.I.T. Chess Team faced Boston College, last year's champions, and defeated them by a score of 3 to 2. Thus, with a good start but playing substitute men on first and fifth boards due to absence of regulars, the team played Boston University this week, winning by a score of 3 to 1. It looks as if the team will have an undefeated season. We wish them the best of luck.

Engineer Rifle Team Whips Maryland And Fifty Others

In D. of C. Championships

Tech's crack rifle team averaged their only defeat of the season when they triumphed over every collegiate team entered in the District of Columbia Open Championship last Saturday. The two-day match was one of the largest shoulder-to-shoulder contests in the country, with over fifty teams representing various organizations entered.

The match was fired on a "sudden death" basis, with competing teams composed of five men and all five scores counting. The Beaver crew of Todor, Bowers, McCoy, Trumper, and Auer turned in a first team total of 1417 to easily overcome the Naval Academy's 1404 and the University of Maryland's 1407.

Waterpolo Top Scorer

Trailing behind the top scorers were the University of Pittsburgh, George Washington, George-town, Johns Hopkins, etc. Tech's individual score of 280 was high for the team and for the whole match.

This victory over the Maryland team was particularly heartening for the Techmen for the Terps were the only squad who had defeated the Beaver marksmen. The defeat occurred in a triangular match held last January between Tech, Maryland, and West Point at the Maryland range.

The Chessboard

Intercollegiates in April

In the contest, the Marylanders will enter a ten-man team record of 4460, while the Techmen haged closely behind with 4232. The performance of the Terps in fighting the 1440 record in a later match with St. John's College, and the recent defeat of the Maryland team places the Tech team in the forefront of the International collegiate championship. The match to determine the championship team, which was won last year by West Point, will be held in April.
