**BY BOB FERIAN**

One loyal track enthusiast was heard to mutter that the school should equip Coach Oscar Hedlund's little shack by the board track with solar heating units. Those winter afternoons are long and cold.

**This week the track team will move from the boards to the cinders.**

*This marks the close of what is known as the indoor season. It may have been the indoor season, but all the hard work was done out on the boards where the temperature would not lead anyone to believe that they were indoors.***

The varsity baseball squad has been taking a look at some good pitching this past week in batting practice. Coach Roy Merritt has been taking regular turns with the rest of his pitching staff, and he evidently made this ball perform. Thus far the pitchers have had quite an advantage over the batters during practice because of the lighting conditions, an advantage over the batters during practice because of the lighting conditions, an advantage over the batters during practice because of the lighting conditions, an advantage over the batters during practice because of the lighting conditions, an advantage over the batters during practice because of the lighting conditions, an advantage over the batters during practice because of the lighting conditions, an advantage over the batters during practice because of the lighting conditions, an advantage over the batters during practice because of the lighting conditions, an advantage over the batters during practice because of the lighting conditions.

Even those who played with John Dixon last year were amazed by his accuracy and underhand deliveries. It is a very difficult pitch to hit, and he gets no cooperation at all from the pitchers.

*In the interscholastic track meet last Saturday Bill Nicholson set a new meet record for the mile and a half run. He will probably become a legend in his sidearm and underhand deliveries. It is a very difficult pitch to hit, but he has to find the ball and he gets no cooperation at all from the pitchers.*

**Lucky Tastes Better Than Any Other Cigarette!**

Fine tobacco—and only fine tobacco—can give you the perfect mildness and rich taste that makes a cigarette completely enjoyable. And Lucky Strike means fine tobacco. So if you’re not happy with your present brand (and a 38-city survey shows that millions are not), switch to Luckies. You’ll find that Lucky tastes better than any other cigarette. Be Happy — Go Lucky today!

L.S./M.F.T. — Lucky Strike Means Fine Tobacco

Students have these words of wit:

"... One day, the professor said to us, 'If you find that Lucky tastes better, it's not me, it's the tobacco.'"

— John Weisbloom, University of Buffalo

**COACHES IN ACTION**

Pictured above are two of Tech's coaches exhorting their men. On the left is baseball coach Roy Merritt and on the right is row coach Jim McGinnity.

**RIFLERS JUST MISS HEARST TROPHY**

(Continued from Page 1)

In this very hard-fought match the MIT team took second place, losing only to the Haskell aggressors by virtue of their high standing of 146 to 143. There were a total of fifteen teams entered.

The match Saturday was the last for the Techmen in New England. The team is now preparing for the climax of the college rifle matches, the National Intercollegiate Championships, which will be held on April 7th.

**SUMMARY OF SATURDAY'S RESULTS**

*Summary of Saturday's results:

In the annual outdoor interclass track meet last Saturday, Carl Swanson, '53, put on a Gehlman finish to nip Carl Swanson, '53, in 4:38.7. The match Saturday was the last for the Techmen in New England. The team is now preparing for the climax of the college rifle matches, the National Intercollegiate Championships, which will be held on April 7th.
