Freshmen Football Turnout Good; Poor Soph Showing

Field Day football faces a crisis. The turnout of Sophomore Gridirons is not adequate for the fielding of any team let alone a squad which can compete with a strong freshmen turnout. If more Sophs do not turn out at once it may mean that the Field Day football contest will not be held.

Football has become a firmly entrenched part of Field Day tradition. It is not only a big point winner in the annual tussle, but also a good indication of the kind of spirit a good class promotes.

The class of "54" fielded a good team last year. There is no reason why they can't do the same this year.

Let's see some of you husky Sophs reporting to Coach Howie Anderson. Show the Fresh what class spirit means.

By BUDDY REISS

The Sophomore football coach is now on the hunt for men. Except for the fact that there was almost no turnout of Sigma Coach Howie Anderson will try and face the Freshmen. The rumor is that he cannot whip a team into shape in time for the traditional game on Field Day. If the practice turnout on Wednesday is any example of Bill Teeple said that he hopes the Sophomore squad will be three men short for there were only eight at Briggs Field for practice.

As for the Freshmen, response was quite contrary to that of the Sophomores. The turnout was the first day of scrimmaging. The Freshmen boys are still on top of the Freshmen. The Sophomore-Freshman football game holds an important position in the spirit of Field Day.

He's a Campus A-Man

The "A" stands for "Activities"—and he's in a lot of them. Plays first-string basketball. Writes for the school paper. Represents his class on the student council.

And on top of that, he's a good student.

Telephone people are like that, too. Besides giving good, friendly, courteous telephone service, they take part in numerous extracurricular activities.

That's why you'll find telephone men and women working on charity drives, joining service clubs, leading Scout troops.

The same spirit of friendliness and helpfulness which lies behind the fine telephone service this country receives, makes telephone people A-people in their communities.
