Sophomore Football Squad Organizes For Field Day

As field day is rapidly approaching, the big problem confronting Coach Howard Anderson of the Sophomore football team is how to fill the squad. The 24’s team is sparked by the co-captains of last year’s freshman squad, fullback Rich Wilson and halfback Bob White, and by holdovers Jerry Colson, starring Jack Jackson, Dan Libby, and Bob Harron, playing tackle, end, center, and quarterback respectively. As present the squad is using the straight T-formation in practice, but may later change to the split-T.

Practice

Practice is being held every week day from 4-6 in the afternoon with two games scheduled as warm-up encounters. On Saturday, October 13, the Sophomores play Lawrence Academy at Briggs Field and a week later tangle with Tabor Academy at their home ground. The climax to the season will come when the Sophoms square with the large, high-spirited freshman squad.
