Dorm Comm Drops Field Day

At its regular bi-weekly meeting Monday evening the Dormitory Committee voted not to hold an official Field Day Dance next October. The dance was dropped from the Dormitory Committee calendar because the dormitories consistently absorbed a loss on this school-wide function.

A committee was appointed to make a thorough check of the possibility of changing the name of the committee.

At this meeting, it was decided to purchase ultra-violet lamps for use in decorations for social functions.

The purchase of a multilath duplicating machine was indefinitely delayed following the presentation of a special committee report recommending the action.
