with a custom-honed by time if not by the Faculd-y, you be-gin to peti-tion for braced conditions on your little mil-tary times. But the prin-cipal hy-plans are al-most gone, so we can t be on any, and that your mus-mach-es are looking so well. It is a good plan to tie them in knots and go out of bed; it is a good plan to tie them in knots and go out of bed; it keeps them from taking back. We trust in closing, that the up-per classroom will bear in mind your tender age and feed you lib-er-al-ly with the milk of hu-man kind-ness. And so, re-mind
