PARKING LOT THER WONT SOON BE USEFUL
The Judicial Committee, which discussed the propriety of confiscating materials and other evidence, also made a recommendation that the parking lot should sign this spring term on Wednesday night in connection with the annual meeting of East campus Dormitory Committee.

Summer Session Head
Dr. Huntress rose to the rank of professor of organic chemistry in 1943. He has been concerned with teaching and research at both undergraduate and graduate levels, serving seven years as head of the department, during which time he was also a member of the Graduate School Policy Committee. During the latter period he was chemical representative on the M.I.T. Committee on Graduate School Policy.
