The selection group consisted of members of the Advisory Board and the five-man committee. The committee will be held near the end of the month. As soon as the second committee has met, its report will be amended in the TWM.

TWA, 80 E. 42nd St., New York 17, is the headquarters of the American Museum of Natural History, which has opened a new exhibit. The museum is located in Science Park, Boston. Weekly meetings Tuesday through Friday, are being reserved for school and college visits. The museum is already making arrangements for students during these hours, as well as for other groups who wish to reserve admission for public opening hours.

Lucky Strike Cigarettes

The museum contains over 30,000 objects, ranging from ancient Egyptian mummies to modern artworks. It is open seven days a week, from 9:00 a.m. to 5:00 p.m., and is closed only on the fourth Thursday of each month for cleaning. The museum is located at 1286 York Avenue, New York 65, across from the Metropolitan Museum of Art. Admission is free.

The museum is located in the heart of Manhattan, near the Lincoln Center for the Performing Arts and Central Park. It is easily accessible by subway, bus, or taxi. Parking is available in the museum's garage or in nearby lots. The museum is handicap accessible and has a gift shop and cafe.

More information about the museum and its exhibits can be found on their website at www.amnh.org. The museum is open year-round, from 9:00 a.m. to 5:00 p.m., except for the fourth Thursday of each month. Admission is free, and the museum offers a variety of educational programs for all ages.
