Letters to the Editor

Editor: The Tech.
Dear Sir:

It is my contention that Mr. C. B. Sports written, particularly those who have both playing and writing experience in one or more sports, are needed.

New Promotions Scheduled
Promotions on the team are made twice yearly, at the end of the spring term and at the close of the fall term. In the words of General Manager Alexander H. Rumble, "Work on THE TECH is an interesting and profitable experience, yielding not only immediate satisfaction, but also a member a long-term debt of experience and assurance which cannot be obtained in any other way."
