I. The Tech

Trackmen Beat B.C. 51-44

Even Season Record At 1-1

Frosh Win Over Huntington

Piling up an overwhelming margin in the running events, the Tech trackmen swept Boston College last Saturday afternoon to even their dual meet record at one win and one defeat. In the freshman meet the Beaver youngsters beat Huntington Prep 41-89.

After freshman Pat Locatello of the Beavers, high scorer in the meet with 14 points, won the hurdles to get his team off to a good start, the Techmen proceeded to open up a big margin, which the visitors could never close. John McGrew of the Engineers won the pole vault uncontested and Tech freshman Chris Galanis and Bill Elvin finished one-two in the dash to put the home team well out in Poinsett.

In the weight events the Beavers brought in one of the best squads in New England to sweep both the hammer and the shot, with Lou of the Eagles winning both. In the shot he got a toss of 66' 2", probably the best mark ever made in Rockwell cage.

Beavers Sweep Mile And 1000

Osco Hedlund of the Engineers' runners almost swept the middle distance events, taking one-two in the 600, and sweeping the mile and 1000 yard run. Had the 500 been run off as scheduled the margin of victory would have been even larger, with the Beavers figuring to take at least eight of the nine points for the event. They showed excellent balance throughout. As only Jack Parquar scored in more than one event, finishing second in the mile and coming back to take third in the 1000. In addition to McGrew and Galanis, senior Charles Borin of the Beavers, Claude Baker (1000) Hugh Nutley (miles) and Bill Nichols (two miles) all took first places.

In the freshman meet Huntington showed several commendable abilities but lacked the manpower to compete with the Tech Frosh. Five men each had all the scoring for the visitors with Charlie Lessor scoring in four events and John Pistone scoring in three. Dennis Shagpole was high scorer for the home squad with seconds in the dash and the broad jump.

The best times of the freshman meet were turned in by Warren Lattoc, who covered the high hurdles in 6.3 seconds, and Harry Schreiber, who ran the 100 in 10.2, less than two seconds off the freshman record for the event in spite of the snowBill Antkow, Bob Zoller, and Charlie Lory took the other freshman spots in the high jump, shot put and mile run, respectively.
