NSA
(Continued from Page 1)
It took the need most urgent.
Fund-raising campaigns held on
the college campuses of each of the
twenty-two participating nations
are the only source of funds. All
such funds are pooled by the cen-
tral organization and then distri-
cuted solely on the basis of need.
In recent years the NSA has held
the fund-raising drive by solicita-
tion with the cooperation of the
Technology Christian Association.
This year's goal is approximately
$1,500. If the carnival, the first of
its kind held by the NSA, is a suc-
sess, it will become a permanent
part of the NSA program and solic-
tation will be discontinued.

Chairmen of the carnival committee are Bernard Werthan,
'S2 and Alexander Gutierrez, '33.
Other members of the committee are: Robert L. Baker, '34; J. Philip
Benkard, g; David Cooper, '34; Donald Potts, '34; and Eugene A. Leary, '34.
