Inst. Comm. (Continued from Page 1)

the Institute Committee to the best interests of the Institute and 
progress of the Undergraduate Associations may direct.

Four divisions will comprise the Secretariat. They are the 
Secretariat Division, Publicity and 
Publications Division, Social Division, and 
the Constitutions and Elections Division. 
The Secretariat Division will perform duties as keeping 
files of all minutes, correspondence 
and papers of the Institute Committee, 
Executive and Executive Committee, and all constitu-
tions and by-laws of the under-
graduate activities.

In short, the Social Division is to prepare a social calendar and 
shall regulate all undergraduate 
demonstrations at the Institute.

The Publicity and Facilities Division 
will be responsible for the use of 
all bulletin boards and booths 
and will assign rooms as may be 
available to the undergraduate 
activities. It will maintain reserva-
tions lists for the use of meeting rooms in 
White Memorial Hall and also 
building eighteen.

The Constitutions and Elections 
Division will perform such duties as 
reviewing the constitution, 
history and membership of the four 
constituent organizations; and also 
calculating. It shall conduct all elections that the pres-
ent Elections Committee has juris-
diction over.

The membership of the Secre-
tariat will consist of a Chairman, 
a Secretary, Adviser, four Divi-

tion Chairmen, and two fresh-
man members from which eight 
members will be selected as Sopho-

tomores. The Chairman of the Sec-
retariat shall be a Senior and the 
four Division Chairmen shall be 
Juniors.

The motion proposed by the 
Freeman Coordinating Committee 
for the effect that the freshman Week-
end be held at 9:00 Institute next 
Saturday night was defeated mainly 
because the Institute Committee felt 
that freshmen had a better chance to 
be acquainted with each other at 
a place like Camp Wonderland, 
where they were more conversa-
tion, than when they are spread 
out at the Institute. It was also felt 
that the activities were able to 
interest more of the new stu-
dents. Camp Wonderland, be-
cause they had more time to talk 
to the students as individuals than 
in the mad rush which goes on in 
Rockwell Cage during Freshman 
Weekend at the Institute.

However, the P. C. C. stated that 
more persons could be accommo-
dated there, that it is considerably 
cheaper and that more of the In-
stitute facilities are available for 
use when the weekend is held at 
the Institute.
