Forecast of Bad Weather

At dawn the sun rose and spent blood-shot eyes;
But the moon still glowed weakly in the sky.

Walker Staff's annual Assembly Ball, now the coveted tradition of the dining hall's social life, was held in Walker Memorial on Friday, April 16. Harry Marshard's selection of music and his choice of dancing partners were the talk of the town.

With seven hundred people expected to attend, and many weeks of advertising by the Technology graduates coming from all over the country, the assembly ball was expected to be the highlight of the year for most of the students.

Herbert Proutis is chairman

Several events scheduled for the week have been made or decorations and arrangements made. The committee, under the leadership of Herbert Proutis, Jr., chairman of the assembly ball committee, went into action. The committee's work will be greatly helped by the arrival of the guests from other institutions, who will arrive on Tuesday.

The committee is planning a weekend event on Saturday night. The guests will be entertained by a variety of musical groups, and the dance floor will be open until midnight.

The committee is also planning a luncheon on Sunday afternoon, which will be attended by all the guests.

Addressing the committee, Herbert Proutis, Jr., said: "I am very pleased with the way our plans are coming along. We have made a lot of progress, and I am confident that we will have a successful weekend."
