Briber Announces New Class Policy

Robert M. Briber, Permanent President of the Class of 1952, has announced a policy, contrary to the present custom of electing a permanent class president for a lifetime. Elections for the office of Permanent Class President of the Class of 1952 will be held in 1957 and again in 1962 as agreed upon by the senior class officers and the Alumni Association.

Briber expressed the hope that a precedent might be set and that class officers might be elected for a limited space.

Tuesday, May 17—1:30 p.m.

Briber also added that as Permanent Class President, he would in all likelihood be reelected unless an unsatisfactory job had been performed.
