**New Draft Exam**

**Chemistry**

A lecture on "Fire and the Control of Fire" will be given by Pro- fessor A. R. Davis of the Department of Chemistry who will speak on 4-27 at 4:30 p.m. The discussion will be illustrated by a number of spectacular demonstrations. A fragmentary plan of the test and how it can be practiced will be distributed.

**Chemistry Day**

A lecture on "Fire and the Control of Fire" will be given by Pro- fessor A. R. Davis of the Department of Chemistry who will speak on 4-27 at 4:30 p.m. The discussion will be illustrated by a number of spectacular demonstrations. A fragmentary plan of the test and how it can be practiced will be distributed.
