EDUCATIONAL FACILITIES IMPRESS MOST VISITORS

Each sport had an exhibit at Rockefeller Cage. Among the most interesting was that of the Pistol Team. The men on the team were able to demonstrate shooting without fear of bullets ricocheting and killing spectators.

The R.O.T.C. provided another group of outstanding exhibits. Every conceivable type of weapon was displayed. Also exhibited were standard Army guns of the Civil War, the Spanish-American War, and World War II. Walkie-talkies provided more entertainment for the onlookers.

The Boston newspaper reporters were used to spark the East Campus protest, but they nevertheless added to the excitement of the day. The spark never really made the news, but it nevertheless added to the excitement of the day.
