FRATERNITY FINDINGS

By HENRY R. HEBBLEY '55

Most University houses seat fifteen or twenty men so as to allow open house for members only. The Pi Lambda Phis had a variety of activities during the week. The Kappa's, the Ficus Island party, and the Phi Gam's Fiji Island party made a strong showing. The Pi Lambda Phis put on their own show, Montecarlo, with a stage and furniture, serving a buffet dinner. The Phi Gam's Fiji Island party was a farce, with a large number of members present, and a good deal of laughter. The Kappa's Fiji Island party was a success, with a large number of members present, and a good deal of laughter.
