Nineteen men contributed to the Technology track score against Tufts College last Saturday afternoon at Briggs field, but their combined efforts were not enough to balance out the work of Bobby Jones, the Jumbos great all-arounder. Jones won home with four first places, the same number he won against the Beavers last year, and added one second place to his point total as Tufts defending New England champions topples the Jumbos by a 76-56 score.

The home squad was badly hampered in the 440-yard run and 220-yard dash, and placed a close second in the 100-yard dash, in which he was upset by teammate Jack Goldsmit.

Goldberg Wins Three
Goldberg, Hans Liban, and Clay Williams contributed sufficient additional points to slim the Tufts victory. Goldberg added first places in both the high and low hurdles, won the 440-yard run and placed a close second in the 220-yard dash, and placed a close second in the 100-yard dash, in which he was upset by teammate Jack Goldsmit.

Over 1,000 spectators paid admission to watch the M.I.T. Rugby team defeat Harvard 6-0 at Soldiers Field, Saturday, May 3. The first half ended in a scoreless tie as both teams moved the ball close to the end zone, but lacked the drive to punch it over the bar. However, Tech came back in the second half with two field goals. Little Ray
