Any such requests must go through the Dormitory Committee at a regular meeting and be approved by the Dean of Students.

**VIOLATIONS.** The House Committee are responsible for the enforcement of the Open House Rules.

**MATHMATICS SOCIETY**
The meeting of the Math- matics Society will be held Wednesday, October 1, at 5:00 P.M. in room 4370. Professor G. B. Thomas will give a talk on elementary group theory. All interested freshmen and others are invited to attend.

**HI-FIDELITY**
The successor to the Barouch Caravan of Music is inching its way in among dozens of activities that keep us going. Few speakers fail to do. True bass response and smooth extended high frequency response are now available in small packages. Carbonloid Industries working in close coop- eration with Mr. Lang have developed special loudspeakers specifically for the Kelton Co. These speakals together with the latest developments in the Barouch-Lang system form a unit which is superb in quality at a fraction of the cost of comparable systems.

The Kelton "dipalmatic" may be seen and heard now. It will be available at a special introductory price of $55.00 to students on October 20.
