Library System Renovation Allows All Spaces

As part of the general changes in the physical plant of the Institute, the library system has been renovated. The new space has the library service in one of the five divisional libraries, one for each of the schools of the Institute.

Construction of the new building has been completed on the second floor of Building 14. The new building will be located here where all institutional records are now kept. The library will remain on the second floor of Building 1. The Dewey Library Classification Agreement has been moved from the first floor, fourth west wing of Building 14 to the second floor of the building.
