Paul Matten To Sing At Choral Christmas Concert

Paul Matten, who has been heard in concert, opera and recital all over the country, is to be heard again in concert at the Christmas Concert of Orchestras to be held next Sunday afternoon in the Memorial Hall of the Massachusetts Institute of Technology.

Both the M.I.T. Glee Club and the New York and Los Angeles chapters of Kappa Kappa Sigma, of which Professor Klaus Liebmann and the Boston Symphony Orchestra will present the popular program, have been announced as participants in the concert.

Paul Matten, a former member of the Connecticut and Trenton opera companies where he had leading roles, has been assisted with the Dessoff Chorus in Carnegie Hall, the Cantata Singers of New York, the National Orchestral Association, the Boston Symphony Orchestra and the American and Chicago choral organizations. His work has been highly acclaimed by concert authorities, and has been consistently praised for his performances of lesser-known and early modern works.

Outstanding Accomplishments

Professor Jones’ published work embraces a number of fields including chemistry, physics, and plant growth hormones. In 1910 he received the Ph.D. degree from the University of Illinois. His work here Edward W. Merrill of the Chemical Engineering Department will speak at Kappa Kappa Sigma’s banquet on the 10th. While an at- 25 new members will be initiated into the fraternity on No-ember 12. All pledges will be re-quired to submit a paper essay on "any technical subject," the topic to be selected by the executive body.

Most of the other honorary professional societies are also in the middle of the initiation process, with most of the invitation ceremonies and banquets scheduled to take place during the latter part of the month.

Tuesday night, December 2, will be held on Friday, December 21, and tickets will go on sale on that day. Monday, they will be available in the lobby of 60-10. This is expected to be a ad and the tickets, which were sold for the first time in the or- elebration is expected to be of short length. The tickets will be the same price as last year, $1.50, since Voo Doo is running this as a non-profit base.

Entertainment Next Month

The Tech and no other publications are expected to be held any- one day that the Tech publishes a feature story on Voo Doo.

No longer, it means, will our campus magazine hold its annual smoker. Instead, as was done last year, they are continuing "Voo Doo Night" at the Old Howard.

This has come about because of the serious objection of the entertain- ment presented before the Federal Police. In this case, the news of the diversion will be available, in a legal manner, for the later part of the month.

A.C. Chandler Run

A.C. Chandler, the Technical Student Association football team, is sponsoring a TCA Annual Dance which will be held at the Old Howard on Saturday night, December 2. Chandler is located across the street from the Old Howard and will be the site of the event. Chandler's guests will be from the Old Howard.

No longer, it means, will our campus magazine hold its annual smoker. Instead, as was done last year, they are continuing "Voo Doo Night" at the Old Howard.

The idea for the dance stems from a suggestion made by the Tech Times staff, which is planning to have a party at the Old Howard on Saturday night. Chandler is located across the street from the Old Howard and will be the site of the event. Chandler's guests will be from the Old Howard.
