TUESDAY, NOVEMBER 18

Digital Computer Laboratory, Seminar: "Some Contributions of Analogue Computers to Control-System Analysis." Dr. Rich-

Field Day

On the Editor of THE TECH:

To the Editor of THE TECH:

The staff of THE TECH maintains that it has no knowledge of the contents of the correspondence appearing in THE TECH. The staff of THE TECH is not responsible for the views expressed in the correspondence appearing in THE TECH.

The Tech

When the committee learns these things as it did, I am sure it will come to the same conclusion that a real solution to the problem cannot be effected without some sort of time limit.

To the Editor of THE TECH:

Our primary reason for suppressing this story in THE TECH was to prevent the dissemination of false information concerning members of the student body.

The College

I am writing to request the reinstatement of the Glove Fight as an event of Field Day program.
