Squashmen Ready for F.M.A. Match

Both varsity and freshman squash teams have begun workouts for the coming season. The Institute will field three teams in the Massachusetts Intercollegiate Association; varsity, junior varsity, and freshman; and each team will play a liberal number of games against college and school teams. The varsity squad alone has a lineup of nine of the Institute's best players. Led by Captain Niki Malinovic and second-year varsity man, the varsity team shows signs of being one of the best to represent the Institute in the nearest three years. The matches will be held Sunday, in conformity with squash convention.

At present the freshman squad has a returning crew and fifteen, a fairly large majority. However, several new members have shown up in the past week, and a great deal of work must be done to make the squad a reasonably good one. By the time the season opens, the varsity and freshmen squads will be at their peak, and the final results of the matches will be determined.

Tech Hockey Club Tied By Danvers

In Opening Game

The M.I.T. Hockey Club fought a 3-3 tie with Danvers in a bitterly contested game last Saturday. Although the game was not the most exciting one of the season, the enthusiasm and fighting spirit displayed by the two teams indicates a high level of skill and determination on the part of both.

Tech Polar Bears tied Danvers for the first time in the team's history, and the game was an exciting one from the start. It was not until the last few minutes of the game that the score was tied, and the Polar Bears were able to assert their superiority.
