TCA Will Offer Aid
To Drivers, Riders
With Motor Bureau

A Motor Transportation Bureau is to go into operation on Monday in the latest service to be offered by the T.C.A.

The set-up of the bureau, (supplied by Gerald E. Atwood, '44, at the recent T.C.A. cabinet meeting) is to offer the service of a request card and a Passenger Regent will be maintained at the T.C.A. office, and will be matched off three times a week. Riders will be charged two cents for each ride. The bureau has been authorized by the Board of Directors.

The cards, (white for riders, red for drivers) may be purchased at the T.C.A. office and should be attached to the telephone or in some other convenient place.

While Christmas vacation and other industries will prevent the full-time service of the Motor Bureau, a limited season's service should be available.

I. F. C. Receives National Award

At the recent National Interfraternity Conference meeting in New York City this past weekend the M.I.T. Interfraternity Conference was awarded "Honorable Mention" as the "largest schools in large cities" group.

This places the M.I.T. Interfraternity Conference in the top spot Interfraternity-Conferences of the nation.

The awards were made in the basis of services on the part of the Interfraternity Conferences to the community, school, and nation. Frater- nities Competition was between three hundred and thirty Interfraternity Conferences on many university campuses across the United States and Canada. The similarity of period in 1948 the M.I.T. Interfraternity Conference won first prize in the Class.

Attending the conference from M.I.T. were James Herne, '51, and Allan Ward, '44.

Leading Soloists Announced For Musical Club's Holiday Concert

Leading soloists have been announced by the M. T. Musical Club to sing in the annual Christmas Concert. The Boston Public Library Society, the New England Federation of Women's Clubs, and the New England Federation of College Women have been asked to join in the program.

The concert will be held in Sanders Theatre on December 4th, and will feature the Boston Symphony Orchestra under the direction of Sir Thomas Beecham. The program will include several well-known choral and orchestral works, with special emphasis on the works of American composers.
