Wrestlers Triumph Over B. U., Get Five Pins In 35-3 Win

The Varsity and freshmen wrestling team took their third match of the season by an overwhelming score of 35-3 over Boston University. The University was the unwilling victim of the Beaver Matmen. The Engineers at a whole brought its match up to a perfect 25-0 in the second round, having four varisty men from freshmen signed. Four of these victories came from these last year's freshman team. The match which was well attended was held in the Rockwell stage on Saturday afternoon at 2:00.

New Members of Tau Beta Pi Initiated Today

The Full initiation and banquet of the Tau Beta Pi Engineering honors society will be held today at the Patent Club in the Sloan Building. The subject of the banquet is to be at 5:30 p.m. and the banquet will be of the same character as the initiation dinner held here last year. Co-Chrane, Dean of the School of Engineering, will be the speaker. The cost for the banquet will be $1 plus tax, per person.

Sophomore Receives Engineering Award At A.S.C.C. Dinner

The annual Full banquet of the intitute chapter of the American Society of Civil Engineers held last night at the faculty club saw one of the largest turnouts of several years.

As has been its custom during the past several years, the Faculty of the chapter, and directors of the national organization.

Debaters Compete Against 20 Teams At Tufts Encounter

Debate encounter will be played out in 20 other college dialects at the Tufts Invitational Tournament. The university's national tournament will be on January 10, 1953, when the Committee on Controversial proposals of the Instcomm will be the site of the meeting. The Committee will be voted upon, an action that will lead to an announcement of the meeting on WJTM.

In the first time for several years the well known freshman booklet will be issued, to be distributed by a "stamp out," or slips, of pictures of the individual student and a short biographical statement, every term.

For the record, however, according to Dean of Freshmen Thomas P. Piets, the booklet will be produced by the faculty committee which made the study of the production of the book. It will be free of charge to all students.

For the first time, the booklet will be produced by a "stamp out," or slips, of pictures of the individual student and a short biographical statement, every term.
