Tech Hockey Team Defeated By Tufts

The Beaver hockey team suffered their first defeat of the year at the hands of the Tufts Skaters by the score of thirteen to three. The Engineers poor showing may be attributed to the lack of practice last week. One hopeful sign, however, is the fact that all skating for the Ice- rink was done by Sophomores with promising talent in the future.

At the end of the first period the score was tied one to one, with Both teams putting on a show start. Borsch scored for Tech. Tufts was well out ahead when the second period ended with a score of nine to two. Borsch again provided the only goal for Tech.

The first score was thirteen to three, De Vos scoring during the last period.

The final score was 16,1952.
