Gumpertz Receives Post In A. S. C. E.

Professor Werner H. Gumpertz of the Department of Building Engineering and Construction at the Institute has been appointed chairman of the Program Committee of the American Society of Civil Engineers. The appointment was announced by Mr. Howard M. Turner, President of this section, who was elected on January 26.

Placement

(Continued from Page 9) which professions are acute in demand. We are told by Dr. Buchan that these lists do not provide an accurate forecast of future job opportunities and consequently should not be the basis for choosing one course over another.

Date
Day

February 18. The speaker will be Dr. Joseph Sampson. The topic has not been announced.
